With the coming of a new year, make 2008 the year that you will set savings goals:

OPEN A.....

- vacation account
- Christmas Club account
- tax account
- insurance account
- college account

The Credit Union would like to help you consolidate all those Christmas

expenses and put them into one payment. Remember loans at the Credit Union are insured up to \$20,000.

If you do not have your vehicle loan financed with the credit union, we would appreciate the opportunity to see if we can lower your vehicle payment and the amount of interest you are paying on your vehicle. Also if you are looking to

purchase a vehicle or recreation vehicle this year, please call us and let us give you a quote on payment or value.

IRA Accounts

With the close of 2007, TAX TIME comes again. Don't forget you have until April 15, 2008 to make your contributions to an IRA for the 2007 tax year.

Contact the credit union for more details and the amounts allowed for your contribution. Also, your statement has your YEAR-END TOTALS

of interest paid and earned for 2007. You can use the totals from your December 2007 quarter-end statement to file your tax return early.

Direct Deposit - Tax Refunds

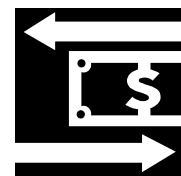

Direct deposit of your tax refund made possible through your credit union.

According to the IRS, direct deposit of your tax refund enables the

IRS to deliver your refund up to 3 weeks earlier than if you were to receive it by mail. Include your credit union routing number and your account number

information directly on your **1040 Form** in the section

labeled "Refund".
