Get in the SAVINGS GAME National Youth Savings Week

The Savings challenge will take place during **National Credit Union Youth Week, April 18-24, 2010**. During this week our young members (birth to 18) will be challenged to make deposits into their savings account at the credit union. Help your child score and reach their financial **goals** by teaching them to be consistent in saving.

Parents and grandparents, if you have not opened your child or grandchild a savings account at the credit union, be sure to call or come by to see how you can get one started. A gift will be given to all who participate and their name will be entered into our cash drawing of \$300 (15/\$20 cash prizes). Everyone 18 years of age or younger are eligible, come by the credit union during youth week to register, or give us a call to see how you can register through mail. We will send out letters to all of our young members with complete rules about the savings challenge, watch for it in your mailbox.

Can we save you \$\$\$\$

Whether you are looking to purchase a new vehicle, boat or camper or would like to pay off an existing loan, call or come by the credit union **first**.

A low payment is not always the best, consider the length of time, and total amount you will repay.

Are you paying too much in finance charges on those credit cards? Need help stretching your paycheck?

Need to consolidate your debt into one payment?

Stop or call us today and let us see if we can save you \$\$\$\$.
