The Magic of Saving National Credit Union Youth Week

The savings challenge will take place during **National Credit Union Youth Week, April 20-24, 2009**. During this week our young members (birth to 18) will be encouraged to make deposits into their savings account at the credit union. Being consistent in savings is the most difficult aspects of savings. Let us help your young person understand the importance of saving and reaching their financial goals. Parents and grandparents, if you have not opened your child or grandchild a savings account at the credit union, come by or give us a call to see how you can get one started so they will learn the magic of saving and register for the drawings. A gift will be given to all who participate and their name will be entered into our cash drawing of \$300 (15/\$20 cash prizes) as well as other donated prizes. Everyone 18 years of age or younger are eligible, come by the credit union during youth week to register, or give us a call to see how you can register through the mail. We will be sending out letters to our young members with complete rules about the savings challenge, so be sure to look for it in your mailbox.

And abracadabra-
You'll reach your goal!

Who gets your Money?
Borrow here and the
money goes back to you,
the owner!

Financially Stressed?

In this time of economic downfall, be reminded the Credit Union is here for you. Let us see if we can help lower your monthly payments with a consolidation loan. Paying excessive interest on credit card debt, need help stretching your budget or looking to purchase new vehicle, see us first. Never act in HASTE.

Do not make decisions under pressure. A low payment is not always BEST, consider the length of time and total amount you will repay. Call us and let us see if we can help you in this financially stressful time. You know us and know where we are. Make your FIRST stop here. **We are here for you!**
