

The Wright Credit Union

April 2017

Give a Hoot About Saving™

CREDIT UNIONS CELEBRATE YOUTH™

Visit The Wright Credit Union during the month of April 2017 and help us celebrate National Credit Union Youth Month™. Help your child or grandchild give a hoot about saving by bringing them by the Credit Union to open a savings account. If they already have a savings account, help them make deposits into their accounts. All children age birth to 18 who make a deposit or open a new account during the month of April will be registered for some cool prizes (one entry per person per day)! And remember, The Wright Credit Union membership is open to all members of your family. Bring your child by the Credit Union on Youth Day, Thursday, April 20th for refreshments and door prizes.

Warm weather is right around the corner!

Get out and enjoy it with a boat or RV!

Teach Your Little Owls to Fly

With Money Talks

The first step to teaching your kids about money is talking about money.

Unfortunately, this can be difficult.

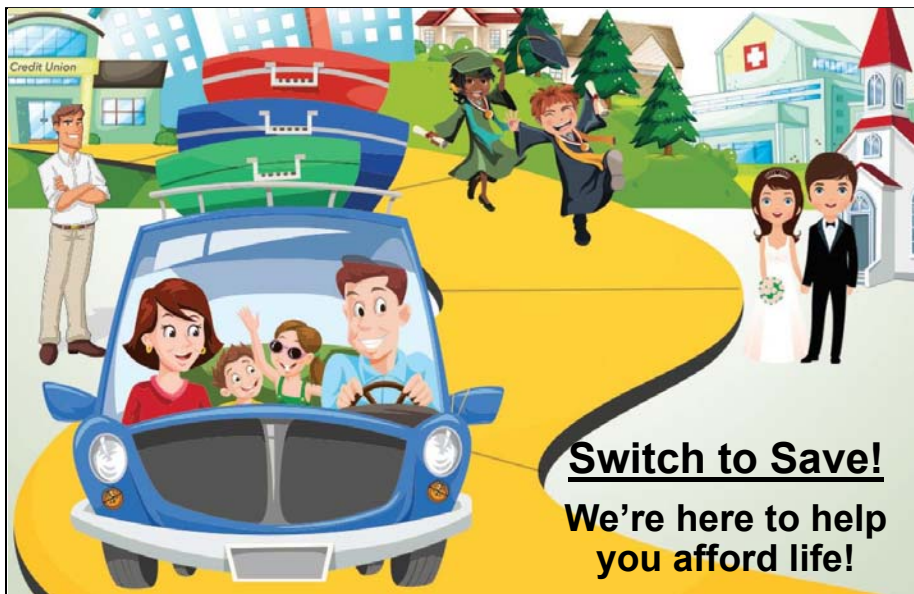

So how to start the talk?

- ◆ Ask questions. If you're going out to eat, talk about the price difference between the options, and ask them which they would choose. If they select the more expensive, talk through what you might have to give up later on in the week.
- ◆ Make them part of your budgeting. If you're doing any kind of financial planning for the year, solicit input from your kids. Enlist them in your saving goals—no one watches you more closely than your kids, so they're natural accountability partners!
- ◆ Open a youth savings account at The Wright Credit Union. Encourage them to deposit all or some of the money they get for birthdays, holidays or life events like graduation. This is the best way to help them to learn to save for what they find meaningful in life. A lifetime of good savings habits can start now!

BE WISE.

Why pay more in interest when you could Switch to Save?

Drop by the CU to see if you could save money by moving your loan here.

Here's how it works:

- ◆ Bring in your monthly statement for any type of loan – credit card, car, boat, RV, signature loan, etc.
- ◆ We'll review your current loan rates and monthly payments so you can see how switching can put money back in your pocket.
